SYD MASTERS AND THE SWING RIDERS

Specializing in cowboy vintage western music, Syd Masters and the Swing Riders will share their timeless melodies with us on Thursday. Syd's ballad "Under New Mexico Skies" was given the honorable title of "Official Cowboy Song of the State of New Mexico" by Governor Bill Richardson. The New Mexico Music Industry has presented him with awards for "Country Song of the Year," "Best Vocal Performance," and "Most Humorous Song." Whether its their own tune or one that they borrow "from dead people" their performance will set our toes tapping.
